

All- Welded Locker Order Sheet

Customer Name:	Phone:
Job Name:	Fax:
Prepared By:	Quote #:
Date:	CPI # if Applicable:

How to use this form

A. Attach a floor plan of the room where the welded lockers will be placed, showing the tiers in each frame.

Example:

1T	3T	1T	3T
----	----	----	----

Indicate the Width, Depth and Height of all the lockers on the drawings.

B. Complete the checklist of Options and Accessories at the right.

C. Attach the information Sheet and floor plans to your order.

WEC retains the right to determine All-Welded Locker group widths. Maximum group width is 54".
