1502, 1525 & 1525EZRC Series General Security Combination Padlocks

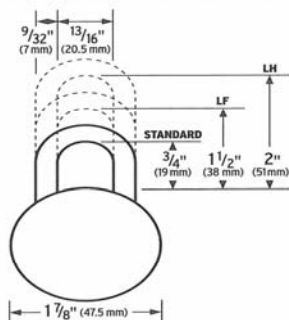

Improved Security!

EXCLUSIVE FEATURES

Product Features

- Hardened steel shackle resists cutting and prying
- Double-reinforced stainless steel case with cold-rolled steel construction shields locking mechanism from physical attack
- 40 number, three-number dialing provides thousands of possible combinations
- Dial automatically locks under shackle tension to prevent "feeling out" the combination
- Combination automatically scrambles when lock is closed to prevent accidental opening
- Fits lockers with a padlock eye of at least 5/16" (8mm) diameter
- Model 1525 has an additional feature of key control for supervisory access

DIMENSIONS

The world's most popular combination padlocks due to their durability, reliability, convenience and affordability.
