## ESP Shelving

*Lightweight but durable packaged shelving offers multipurpose use at a reasonable price. ESP Shelving will deliver economical, dependable storage in office stockrooms and throughout your plant or warehouse.*

### Standard Configurations

ESP shelving is available in a 75" height with either four or five openings. Extra shelves are also available.

### Variety of Depths

Available in four depths to suit any application.

### Quick Assembly

ESP shelving can be assembled quickly using the supplied nuts, bolts and shelf clips. All necessary components are in one box for easy ordering.

### Adjustable

For maximum flexibility, shelves adjust in 1" increments to store a wide variety of items in different shapes, heights, and sizes.

### Flanged for Extra Strength

All ESP shelves incorporate multiple-bend flanges with lapped and welded corners. The design permits loads up to 250 pounds per shelf!

### Enhanced Unit Integrity

ESP shelving comes complete with end plates and back braces to assure the unit's rigidity.
