Q Line Accessories

Customize Q Line Shelving To Fit Your Specific Needs

Hinged Door

Hinged double doors attach easily to angle posts. Locking handle with three-point locking system is perfect to secure valuable parts, tools and equipment.

Back and End Panels

Steel back and end panels enclose the shelving to keep parts and merchandise safe from the dust and contamination that is typical of industrial environments.

Bins

Create custom sized bin compartments with Q Line's 15 sizes of shelf dividers.

Shelf Box

Featuring welded steel construction and your choice of six box sizes, perfect for organizing small parts. Adjustable dividers create compartments for small part storage. Each drawer comes standard with one divider; additional dividers sold separately.

Bin Front

Keep parts from spilling off shelves with easy to install Bin Fronts.

Sliding Divider

Sliding Dividers can be placed anywhere on shelves without fasteners and can be added, moved or removed when needed. Includes a built-in label holder.

Ledge Unit

Tennsco's Ledge Unit attaches to Q Line shelving to add 12" of additional shelf depth to the three lower shelves and a handy work surface for the fourth shelf. Ideal for storing long items. Measures 36" w x 12" d x 39" h. For secure storage of valuable items add a ledge unit door, which provides two hinged doors and a three-point locking system.

Shelf Clips

13-gauge compression clips make adding shelves literally a snap.

Foot Plate

Secure heavy shelving units to the floor for added safety.

End Sway Brace

The End Sway Brace provides critical reinforcement by keeping shelving unit perfectly square even when heavily loaded.

Rear Sway Brace

This brace maintains the unit's important vertical alignment to assure that even the heaviest loads can be safely stored.

Mezzanine Brackets

Configure your Q Line units as a mezzanine with these heavy-duty brackets.

Splice Plates

Use Splice Plates to splice two uprights together to create taller units.

Front Base Strip

Keeps items from rolling under the shelving unit
