Lateral Files

Office space a little cramped? *Lateral Files* offer substantial space savings and more efficient access to your most-used files. Their solid construction and contemporary good looks make these files a solid value for most office filing applications. A standard, single "master" lock controls all drawers and doors while drawers easily slide out on full progressive, lifetime warranted ball bearing suspensions. Files come standard with hanging folder rods for filing Pendaflex folders (side-to-side). Order optional cross rods for front-to-back filing.

Please Note

Standard Colors: Black, Light Grey, Medium Grey, Champagne/Putty and Sand

QuickShip Colors: Black, Champagne/Putty

Posting Shelf**

Optional hideaway posting shelf provides a handy place to make notes or put down materials while you look for files in a five-drawer unit.

Retractable Door

Spring assisted doors automatically retract with the slightest touch to keep aisle clear and give you complete access to your files.

Lateral Filing Systems

When office space is limited, lateral files provide unlimited solutions. The practical design of these attractive files not only hugs the wall, saving valuable floor space, but also allows easier, more efficient access to your most-used files. You'll appreciate their solid construction - and their solid value.

Convenient Posting Shelf

An optional hideaway posting shelf provides a handy spot to make notes or put down materials while you look for files in a five drawer unit.

Retractable Door

Spring assisted doors automatically retract with the slightest touch to keep aisles clear and give you complete access to your files.

Attractive Laminate Tops

Self-edged laminate tops add another work surface to your office and are available in sizes to top off any file.

Choose either the short pull handle pictured above or the long pull handle shown on the left.
