Combination Storage Cabinets with Rollout Lateral File Drawer. These popular 36" wide cabinets give you both: a rollout lateral file for hanging files and up to four adjustable shelves for that much needed workstation storage. For confidential materials, these cabinets offer secure access thanks to its key lock and locking bars that secure both doors. For added security the Lateral Drawer has a separate lock and key.

Bookcase/Storage Cabinet allows you to place valuable materials in the lower cabinet, which can be locked or place everyday materials at your fingertips using the upper shelves of the bookcase.
