## All Purpose Workbenches

*constructed of only the finest materials and represent the hallmark of strength and durability. And with a complete selection of optional add-on components, including side and back stops, risers, stackable drawers and lower shelves, these highly efficient units insure maximum productivity in the workplace.*

### Roomy Workspace

Large smooth surface available in various sizes best to fit your requirements.

### Optional A/C Power

Knock-outs in legs allow for handy electrical outlets.

### Stringer

14 gauge stringer connects legs together for added stability. Shipped standard with all style tops.

### Optional Lower Shelf

Provides extra storage space.

### Sturdy and Durable

Flared style legs provide a wide base for stability while allowing for knee room. Holes in feet permit bolting to the floor.

### Welded Construction

Legs are made of heavy 13 gauge steel and are electrically welded into a one piece rigid framework. Designed to support up to 4000 lbs. per pair.
